## or The quickest way to connect with Nordic-interested prospects

When you want to meet potential customers on the net or steer traffic to your own site, *NordicWay* is the foremost portal for surfers with a special interest in things Danish, Finnish, Icelandic, Norwegian and Swedish. Started in 1999 by the magazines *Scandinavian* and *Swedish Press*, the *NordicWay* site is filled with useful background and links, as well as practical information for visitors and locals to everything of Nordic interest (like the best Event Calendar) in North America. If you have a service or product of interest, *Nordic Way* can help you promote it not only on the North American market, but worldwide.
